

RING SIZE GUIDE

Before measuring your ring size, be sure this guide is printed in A4 size and scaled to 100%. You can check the accuracy of your print by positioning a credit card on the line below or by measuring the scale line. It should measure 5 cm.

RING SIZE CHART

To find your Hulchi Belluni ring size, use an existing ring that fits you well. Match the inside of that ring one of the circles below. When your ring has been placed on the right size, you should only see the white circle (with no brown space inside your ring). If your ideal fit falls between two sizes, we recommend choosing the larger size.
